

Dear Friends,

Happy New Year. For six years we've been awaiting 2010 and the World Cup in South Africa. It now comes down to the next six months. We'll try to keep you updated every step of the way.

As it's January... I thought I'd start the year with something of a January sale!!

- Firstly, for free - please check out the AIS International magazine which can be downloaded from the following link: http://www.ais-africa.co.za/images/newsflash/AIS_4_Mag_12_Pager.pdf

- You are probably aware that we produced 2010 calendars to support the AIS ministry. We've distributed most of them, but still have some left. Please consider taking one (or more) for a small donation and using it as a reminder to pray for AIS this year. Just drop me an Email if you can support us in this way. (A big thanks to all who have already purchased calendars).

- We also have a partnership with sports clothing manufacturer "Hummel" and have a number of pairs of indoor sports shoes available (SA only). We were selling these at R150... but have reduced the price to R120. Again – this will support the work of AIS... so drop me a line if you're interested. If you don't want for yourself... then please consider making a donation and we'll distribute them to refugees and orphanages that we work with.

There are a number of options of serving with AIS this year – either on a short-term basis, or through a mini-internship... if you are interested, then please let me know or keep an eye on the newly designed www.ais-africa.co.za website.

Thanks for your prayerful support,

Tim and Laura.
